3M™ PELTOR™ X Series Ear Muffs, 33dB, Hi-Viz, Headband, X4A

3M ID XA007706931

The 3M™ PELTOR™ X Series Ear Muffs X4A is a high performance hearing protector for use against high noise levels in a wide range of industries, offering 33(dB) attenuation with a sleek, low profile aesthetically pleasing design.

- High performance hearing protector for protection against high noise levels, whilst maintaining a sleek, low profile, aesthetically pleasing design.
- Innovative sealing ring provide excellent acoustic protection particularly against sounds dominated by low frequencies
- Soft wide cushions help reduce pressure around the ears and improve comfort and wearability
- Slim-line, dual moulded cups
- Large space inside cups helps reduce moisture heat build-up
- Electrically insulated wire headband
- Lightweight design (234g)
